

EXHIBIT AT AFRICA'S LARGEST HEALTHCARE PLATFORM, AFRICA HEALTH

With expenditure on healthcare set to double over the next 10 years and a chronic shortage of local manufacture, the opportunities offered by markets across Sub-Saharan Africa are currently huge for UK companies.

Medilink organise the sole **UK Pavilion** at the event, on behalf of the Department for International Trade (DIT), providing an ideal opportunity for UK companies to increase their export opportunities within this vital, high-growth market.

Why Africa Health?

- Largest regional show in Africa supported by private and national healthcare organisations, attracts 10,000 healthcare professionals, distributors, manufacturers and service providers
- 90% of medical devices in the region are imported
- Join over 550 leading regional and global exhibitors from 68 countries
- Healthcare spend in Sub-Saharan Africa is set to exceed £26bn in 2018
- Healthcare expenditure in South Africa alone is worth £9bn
- 96% of visitors are from Africa, with a large proportion of dealers and distributors

**29 - 31 MAY 2018
JOHANNESBURG, SOUTH AFRICA**

The Medilink UK Pavilion includes:

- High quality UK branded stand in a **great location**, with furniture package
- Full pre-event and in market support from Medilink's healthcare and event specialists
- Competitively-priced British delegation travel and hotel packages are available
- Cost-effective consolidated freight

"Africa Health has grown substantially year on year providing us with an ever improving platform at which to showcase our products and services to the wider Sub-Saharan region, accessing markets far beyond South Africa."
