

Healthcare and the Financing of Healthcare and Humanitarian Projects in Iran

Invitation

With both the British and Iranian governments being fully supportive of trade development, the Department for International Trade and BICC invite you to attend a conference on opportunities in the Iranian Healthcare, Pharmaceutical, Life Sciences and Humanitarian sectors. Iran has a nearly €100bn healthcare sector primarily EU dominated with pharmaceuticals alone being worth close to €2bn. To learn more, please register to attend now.

Key speakers include:

- *Baroness Fairhead CBE, Minister of State for Trade and Export Promotion, Department for International Trade*
- *Dr. Mohsen Asadi-Lari, Acting Minister for International Affairs, Ministry of Health & Medical Education, Iran*
- *Dr. Seyed Mohammad Hadi Ayazi, Deputy Minister for Social Affairs, Ministry of Health & Medical Education, Iran*
- *The Rt Hon Lord Lamont of Lerwick, Chairman, BICC & UK Trade Envoy for Iran*
- *HE Hamid Baeidinejad, Ambassador of Iran to the United Kingdom*
- *Sir Richard Dalton, President, BICC*
- *Dr. Masoud Nasseripour, Dean, Iran University of Medical Science*
