

£2,500 TAP GRANTS AVAILABLE FOR ELIGIBLE COMPANIES

UK companies now have an easy and cost-effective way to exhibit at the World's largest digital health and IT conference & exhibition.

To meet the demands of the HiMSS19 global conference attendees and increased interest, UK companies have the opportunity to exhibit in the new "HiMSS19 Global Pavilion". The opportunities in the Global Pavilion offer turnkey kiosks - an easier and cost-efficient solution for companies travelling internationally to attend this world renowned event. Exhibiting companies in this area will be grouped by country with national signage. HiMSS will also market this area in the HiMSS19 pocket guide, resource guide, mobile app and additional conference resources to promote attendee traffic.

Benefits and features of the UK - Global Pavilion:

- Reduced booking fee
- Kiosk with lockable storage
- Graphics on kiosk (company to design, HiMSS to produce)
- 24" monitor (company to provide laptop) keyboard, mouse and cables will be provided
- Chair/stool
- Electrical supply and lighting
- Hard wire internet line
- Exhibitor Badges: 5

**11 - 15 FEBRUARY 2019
