Northern Powerhouse Mission to Arab Health 28 - 31 January 2019

Join the Department for International Trade (DIT) for this Northern Powerhouse Trade Mission to Arab Health, the largest gathering of clinical and trade professionals across the Middle East and North Africa. Now a truly global event, Arab Health and this Northern Powerhouse trade mission offers UK Life Sciences companies a tailored programme of activity with key decision-makers, potential business partners and networking opportunities.

The life sciences market in the Gulf region is consistently one of the key performers in terms of annual growth. Ambitious hospital build programmes together with education and health reforms throughout the region reinforce the position of the UAE and other Gulf nations as key trading partners for the UK's life sciences and healthcare sectors.

DIT invites businesses from across the Northern Powerhouse region to join this trade mission to Arab Health, which is a key event for businesses in the healthcare and life sciences industry.

What's on offer?

- Northern Powerhouse networking reception hosting local buyers from the UAE
- Briefing on the life sciences/healthcare markets across the Gulf region
- Regulatory guidance on registration in countries in the Gulf region
- Entry to the Arab Health exhibition
- Northern Powerhouse product showcase (eligible companies invited based on the size of product, suitability and availability)
- Use of Northern Powerhouse meeting area
- Access to wider DIT meeting programme in-market
- Support from the British Embassy regional specialists

This trade mission is ideal to tap into a growing market and boost your export sales.
