It regularly attracts several thousand exhibitors from over 60 countries (including a huge participation from Britain) and underpins a lot of companies' annual marketing plans.

Each year leading individuals from business, research, healthcare and government visit the exhibition alongside tens of thousands of national and international experts and decision-makers.

The **shell scheme** option is our most popular exhibition stand option, and each stand comes complete with carpet, electricity, nameboard, lighting and furniture. We can offer a range of sizes in multiples of 3m.

Our 'Price Freeze' offer applies only to the price per square meter in the UK Pavilion for the event. All other costs are fixed by the event organisers and are subject to change each year.
